

LEAs Eligible to apply for 21st Century Classroom EETT Grant RFP

(maximum of 15-25 grants will be awarded)

Grant opens on 12/4/09 and applications are due on 2/5/10.

Local Education Agency (LEA) eligibility to apply for a No Child Left Behind (NCLB) Title II-D competitive grant is defined in the United States Department of Education (USDOE) guidance as follows:

A “high-need local educational agency” is an LEA that –

- (1) Is among those LEAs in the State with the highest numbers or percentages of children from families with incomes below the poverty line; **and***
- (2) Serves one or more schools identified for improvement or corrective action under section 1116 of the ESEA, or has a substantial need for assistance in acquiring and using technology.^[1]*

Entities not eligible for Title I Part A funding **or** that are not among the highest numbers or percentages of children with incomes below the poverty line **may partner** with eligible LEAs, but may not respond independently to the competitive grant request for proposals (more information on eligibility can be found in section F of the USDOE guidance cited below.)

In determining the eligible LEAs for the purpose of this grant competition, the Arizona Department of Education has included the top 25% of Arizona LEAs who have the highest numbers or percentage of children from families with incomes below the poverty line. The poverty information used to generate this list can be found at <http://www.azed.gov/asd/operations/2010TITLEIALLOCATIONS.xls>.

This list of eligible LEAs includes LEAs across the state and represents over 91% of all students in Arizona and over 93% of Arizona students in poverty.
